

Disorderly Conduct

*January 30, 2015 World Premiere to benefit
Monmouth County Child Advocacy Center*

You are invited

Fireworks ensue during a July 4th Prosecutors' Convention in an Atlantic City Hotel. A top prosecutor is being pursued by the mafia and a very irate Governor.

Is the inebriated Governor's wife missing and does the prosecutor know where she is? Will the mafia be able to silence the prosecutor and force a mistrial?

Hilarity abounds as 'Law and Order' meets 'The Sopranos.'

Be the first to be entertained by this brand new side splitting, door slamming comedy written by **Greg Schweers**, a veteran of the Spring Lake stage ('Scrooge' / 'John Adams') and of the world of law enforcement, having retired as a prosecutor from the **Monmouth County Prosecutors Office** in 2012.
