Re: Wine Sipping, Sampling, and Savoring Event – Saturday, April 22, 2017

Dear Friends,

The Friends of the Monmouth County Child Advocacy Center is writing to seek your support for our most vulnerable children, those affected by child abuse, sexual abuse, physical abuse, neglect and children affected by domestic violence. Through public/private partnership, we are continuing to raise funds to support the Monmouth County Child Advocacy Center, a child-friendly, appropriate facility where child abuse victims receive all necessary services under one roof. We are seeking attendees, tax deductible sponsorships and support from local businesses and organizations for our “*Wine Sipping, Sampling, and Savoring Event*” which will be held on Saturday, April 22nd, in honor of Child Abuse Prevention Month. Additional information can be found on our website, www.friendsofMCCAC.org

It is comforting to know that there are so many thoughtful community members and businesses who have donated their time and money to support our efforts to help our community’s most deserving, innocent children. We hope you will become one of them. **Our children are entitled to nothing less.**

Very truly yours,

Angela Juffey
